

## December 7, 2023 - Agenda

### Hepatitis Free Northern New England (Hep Free NNE/HFNNE)

10am-12pm | [ZOOM](#) | Meeting ID: 921 9717 5623 | Passcode: 635437

---

**Purpose:** To develop the first Northern New England Viral Hepatitis Elimination Plan.

**Vision:** A clear framework for how Northern New England will be a place where new hepatitis B and C infections are prevented, every person knows their status, and every person with viral hepatitis has high-quality health care and treatment free from stigma and discrimination.

---

**Official start time: 10:01**

#### I. Welcome! (~5 min)

- Please add your name, pronoun, and affiliation in the chat
- Broad Project Timeline Overview & HFNNE context

#### II. Review Planning Group Function & Welcome Packet (~15 min)

- Welcome Packet "highlights"
  - The Planning Group's Charter & Meeting Guidelines
  - Detailed Calendar Roadmap, Dec 2023 to Dec 2024
  - Milestones

#### III. Engaging People With Lived Experience (*Presentation*) (~20 min)

- Thanks to community partnerships, over 100 people with lived experience – most of whom with injection drug use experience, the leading risk factor for hepatitis B and C – shared their perspectives and suggestions relating to viral hepatitis care, barriers and services. Today we will review some key themes and findings to help inform the strategies we will begin developing under the "Trusted Partners" pillar.

-- 5-minute break --

#### IV. Strategic Pillars, Goals, & Definitions (~10 min)

#### V. Pillar #1: Trusted Partners (*Objective-Setting Workshop*) (~45 min)

#### VI. Wrap Up & Next Steps (~5 min)

- **Next meeting: February 8, 2023 @ 10am via ZOOM.**
