

# 2023/24 PLANNING GROUP

*Seven meetings. Years of impact.*

Join the Planning Group for bi-monthly meetings beginning December 7, 2023.

Make your voice a part of the solution to viral hepatitis.

New Hampshire, Maine, and Vermont have joined forces to eliminate viral hepatitis in Northern New England. *You are the key to success.*

**WHAT:** *Planning Group* to build and refine the Northern New England Viral Hepatitis Elimination Plan.

**WHERE:** *Virtual Meetings* on Zoom that you can attend from home or work.

**WHEN:** *Thursday Dec 7, 2023, 10am-12pm*, followed by *Feb 8, Apr 11, Jun 6, Aug 8, Oct 10, & Dec 5, 2024.*

**GOAL:** *Complete, community-driven* NNE Viral Hepatitis Elimination Plan for January 2025.

**There's something for everyone at the Planning Group!** A gathering for all who want to attend, bringing together *50 to 100 representatives* from all sorts of communities across the three Northern New England states. Each meeting will feature *presentations and interactive sessions* seeking your feedback.
